WORK EXPERIENCE

General Motors (June 2019-Present)

Detroit, MI

Software Engineer

- Migrated our Jenkins CI from a local network to our central GM network
- Maintained and developed features on hybrid application that was written in both Swift and React-native
- Implement scripts that build and distribute all MyBrand applications (GMC, Chevy, Buick...etc)

Total Quality Logistics (May 2018-June 2019)

Cincinnati, OH

Software Developer I

- Implemented features such as document scanning, driver tracking and responsive web
- Used frameworks such as CoreData, AVFoundation, UIKit, etc...
- Lead developer for one iOS application currently in the app store (Carrier Dashboard)
- Programmed UX/UI that followed the Apple User Interface Guideline

Total Quality Logistics (May 2017-August 2017)

Cincinnati, OH

Software Developer Intern

- Collaborated with a team to design and develop applications using iOS frameworks
- Identify and correct defects for multiple products
- Individually developed a map feature that tracks truck loads

Be Brave (Ongoing Side Project)

Washington, DC

Lead Developer

- Developed an iOS application to work with a wearable technology to limit assaults on college campuses
- Used firebase as a backend environment to keep track of user location
- Won funding for the application at GMU Deans' Business Competition

EDUCATION

American University (May 2018)

Washington, DC

Bachelor of Science in Computer Science & Applied Mathematics (Double Major)

ACTIVITIES

American University Track/Cross Country (2014-2018)

- Team Captain (cross country/track)
- Competed in Division 1 cross country, indoor track and outdoor track all years
- Trained 30 hours and ~100 miles per week
- As team captain, led practice drills, kept training logs and managed communications with coaches
- Developed strong time management skills; demonstrated concentration, strong work ethic and perseverance to meet personal and team goals

Achievements:

- First Team All Mid-Atlantic Region
- 4 x Most Valued Player
- 3 x First Team All Patriot League
- 3 x All Patriot League Honor Roll
- 2 x Patriot League 4x800 Champions 2017
- Patriot League 5k Runner-up

American Athlete Mentor Program (2017-2018)

- Built strong and trustworthy relationships between student-athletes across all sports
- Informed freshmen student-athletes of resources on campus
- Provided new student-athletes an experienced peer that they can consult with on a variety of topics
